First we imagine, then we build.

Systems Consultant · Regenerative Finance & Policy Advisory

ABOUT

Gilberto Morishaw is a systems consultant and regenerative practitioner from Curaçao, based in The Hague. He is Community & Partnerships Lead at Bread Cooperative, Co-Director of the Creative Regenerative Futures Foundation, a regenerative consultant at Creativo Design, and chair of the Supervisory Board at OCAN. He served on the European Commission's Youth Sounding Board (DG INTPA) from 2021 to 2023, and is a Global Shaper with the World Economic Forum.

He helps leaders set a direction, build the capability to deliver it, and measure the impact they create — in institutions, in programmes, and in the systems around them.

SERVICES

- Leadership & impact advisory: set a direction, build the capability to deliver it, measure what you create.
- Convening & dialogue: multi-stakeholder processes, retreats, festivals, and the rooms where hard things get decided.
- Facilitation & programme design: strategy sprints, co-creation, and programmes that increase collaboration.
- Policy & governance: EU institutions, Kingdom relations, and Small Island Developing States.
- Regenerative finance & Web3: cooperative financial infrastructure, impact metrics, and DAO governance.

SELECTED OUTCOMES
